

Cub Scout Camp-Ins 2016-2017

Spend the night at Discovery Center! Select from the dates and themes below. We may combine your group with another to meet minimum numbers. Advance registration and advance payment are required. Registration closes one week prior to event.

\$45 non-refundable deposit due at registration. Deposit counts toward full amount. Only approximate number of participants required at registration. Registration closes one week prior to event. **Fees: \$30 per child / \$15 per adult.** Fees include all program materials, evening snack, morning breakfast; plus scouts receive a Discovery Center Museum patch. Scout awards not included. Camp-ins run 6:30 p.m. -9:00 a.m.

Cancellation Policy: Refunds (minus deposit) are available up to one week prior to event. We reserve the right to cancel events; in which case, a full refund will be issued.

Blast Off! Saturday, January 7

Launch a rocket and learn about lift as you experiment with Bernoulli's Principle and Newton's Laws of Motion! Discover pressure dynamics with toys, and more!

[The] staff was amazingly good - great with the kids, leading the sessions, and making science fun. Thanks for a great experience!

Natural Disasters Saturday, January 28

Make a miniature volcano, capture a cloud, bottle a tornado, experience the hair-raising effects of lightning, boost your disaster preparedness, and witness an explosive demo!

NEW!

Mythbusters! Saturday, March 4 & Saturday, May 6

Have you ever wondered (but been too scared to test) what happens when you eat PopRocks and Coke? What would happen if you dropped a penny from a skyscraper Use science to test out myths and decide: are they plausible or BUSTED?

Mad Scientist Saturday, April 1

Measure, pour, and mix your way into the scientific method as you experiment with chemical reactions. Play with polymers, cause color changes, and more!

**Have a huge group?
Need a different date?
Call 815-972-2843
for private camp-ins!**

Grossology Saturday, April 8

Get hands-on with the ins and "outs" of digestion. Discover which intestinal formula triggers diarrhea; make mucus, and fabricate phlegm. No giggling, please.

Starry Skies Saturday, April 29

Model moon phases; construct a star map, craft glowing constellations; learn about light pollution; and take a guided tour through the night sky in our planetarium. Weather permitting, use telescopes to scope out the night.

NEW!

I thought this was the best event my scouts have ever been on!!!

Make your Reservation

Fill out and mail in the form below along with your check
or call Meghan 815-972-2843 with your credit card.
