

# MARCH VOLUNTEER NEWSLETTER

## The many roles of volunteers at Discovery Center Museum!

As the Volunteer Coordinator at Discovery Center Museum, I often get asked what exactly our volunteers do at the museum. My answer is always ... a little bit of EVERYTHING! Over the past month alone we had ninety volunteers assist at programs such as *Chocolate Sundae Sunday* and *Discover Engineering*, help maintain exhibits, prepare materials for outreach programs, after school sites and the Art Studio, pitch in at homeschooling classes, interact with museum visitors, and put together membership packets. We provide a variety of volunteer opportunities for groups as well as individuals, and there is always something to do while you're at the museum! No matter what your interests are, we do our best to utilize the many talents and skills our volunteers bring to the table. We couldn't do all the things we do without our incredible volunteers!

## Upcoming Volunteer Opportunities

### Saturday, March 11th - Ag All Around Us!

**11:00 am to 2:00 pm**

Help us get ready for National Agriculture Week! with cute crafts and amazing activities! Assist our visitors with cute critter crafts and amazing agricultural activities. There will be lots of baby animals at this program. **KRESGE HALL**

### Saturday, March 25<sup>h</sup> - Nano Day!

**11:30 am to 3:30 pm**

Help our visitors delve into the incredibly infinitesimal nano-scale world with hands-on projects and live science demonstrations. **MUSEUM SPACES**

### Monday, March 27<sup>th</sup> thru Friday, March 31<sup>st</sup> - Spring Into Science!

**11:30 am to 3:30 pm**

Help visitors engage in fun art activities, hands-on science and live demos during Spring Break!

We are always looking for volunteers!

Do you have friends who want to volunteer at the museum? Have them fill out and return an application. Then join us Saturday, March 18th from 10:30 am to 12:00 pm for volunteer orientation!
