Spooky Science: A Ghostly Good Time for All!

On Friday, October 27th, over 400 museum visitors enjoyed a spectacular evening of spooky fun. Trick or treaters enjoyed glow in the dark slime, pumpkin bowling, spooky shrinky dinks, boo bubbles, howling squawky cups, hair raising science and much more! A big thank you goes to all our awesome volunteers!

UPCOMING VOLUNTEER OPPORTUNITIES

Smashing Pumpkins

Sunday, November 5th
1:00 to 4:00 pm
Parking Lot & Kresge Hall

It's time to get rid of those jack-o-lanterns! Join us we catapult pumpkins across our parking lot. We will also be making harvest crafts, sampling apples, making instant pumpkin pie and more!

Scout Day

Saturday, November 18th
11:00 am to 3:00 pm
Museum Spaces

Volunteers are needed to assist scout groups with a variety of science stations including sink or float, chromatography and sound sandwiches, as they work on achievement requirements.

Blacklight Friday

Friday, November 24th
11:30 am to 3:30 pm
Kresge Hall

Find out what puts the "glow" in neon colors and wow your senses with fabulous fluorescence. Help our guests with fiber optics, LED's and black light activities.

Small Science Saturday

Saturday, November 25th
11:30 am to 3:30 pm
Kresge Hall

Help our visitors explore science on the nano-scale. Guests will make a splash with gravity defying feats, bend metal like magic, combine carbons and more!

Gingerbread House: Family Class

Sunday, November 26th
12:30 to 2:00 pm
Discovery Room

Come and help at this sweet class! Assist our families with gingerbread house decorating by mixing frosting, replenishing supplies and cleaning up the sticky mess!

Contact Sue Stevens at (815) 972-2839 or sues@discoverycentermuseum.org to sign up for one or more of these events!
