**Please share this information with chaperones and campers.**

☆ Check-in time is 6:30 p.m. Bring in all your gear upon arrival.

☆ We will provide an evening SNACK and BREAKFAST in the morning. Those with dietary restrictions, please let us know ahead of time or bring your own food. Evening snack may include prepackaged cookies, crackers or chips; carrots and dip; and a beverage.

Continental breakfast includes yogurt; bagels or muffins; oatmeal; fresh fruit; milk, juice, and coffee. Vending machines on site have pop, Gatorade, water, juice, and snacks. These machines take \$1 bills and coins; pop starts at 60¢. We will not be able to make change for you until morning.

☆ PACK LIGHTLY. Bring sleeping gear and minimal personal care items.

☆ Consider sleeping in your clothes. Campers may want to arrive in PJs. Sweats or shorts and tennis shoes work well for activities and sleeping.

☆ The floor is hard. Grown-ups might want to bring an air mattress -- we have plenty of electrical outlets.

☆ Please do not bring electronic equipment such as ipods, DS or games.

☆ Campers can visit the gift shop in the morning. Items start at 50¢.

☆ Leaders and chaperones are responsible for their campers. Please help ensure that campers clean up after themselves and check to see that campers have all belongings before departure.

☆ Adults are encouraged to assist with program activities.
